

## Principal Desk

Dear Students, Parents,

It is with immense pride and a deep sense of responsibility that I welcome you to MIT College of Computer Science & I.T., Basmath, Dist. Hingoli, an institution affiliated to Swami Ramanand Teerth Marathwada University, Nanded & approved by AICTE.

Our Vision — to build a strong research and learning environment that responds swiftly to the challenges of the 21st century — guides every academic and institutional endeavour of our college. In alignment with this vision, our Mission is to provide quality education that meets the evolving needs of profession and society, while empowering especially the youth of rural communities through access to computer education, modern tools and relevant technological skills.

We strive to offer a strong theoretical and practical foundation across the discipline of Computer Science, with special emphasis on software development, innovation and independent learning. Our goal is not merely to impart knowledge, but to inspire curiosity, nurture creativity and cultivate the ability to continuously learn and adapt in a rapidly changing world. Every student is encouraged to think critically, act ethically and grow professionally with confidence and purpose.

At MIT College, we believe education is a shared journey — between students, teachers, parents and society — rooted in the values of learning, sharing and achieving together. We are committed to creating an academic environment that enlightens the mind, strengthens character and empowers the future.

I warmly invite you to be a part of this journey of excellence, growth and transformation.

With best wishes for your success and a meaningful future.

Dr. Kalyan Gurunath S.
